

DECATS 2009

PUBLICATIONS AGREEMENT

DECATS at St. Rose of Lima is excited to produce many publications dedicated to the promotion and propagation of information about the DECATS adventure. Photographs and video are key items in the continued success of publications like DECATS Online and the DECATS DVD.

Pictures and video are taken at various points during each day. Both are instrumental as we continue to chronicle the legacy of DECATS in Houston and at St. Rose of Lima.

I acknowledge that DECATS will be taking video and photographs of the participants in DECATS 2007 at St. Rose of Lima for usage in DECATS publications, including, but not limited to, DECATS Online, the official DECATS website located at <http://www.decats.org>; and the DECATS DVD, a yearly item created for families and schools to celebrate and commemorate the summer session.

I understand that many pictures and videos will be taken and used at the discretion of DECATS. I also understand that any pictures and video taken are for the exclusive use of DECATS. All DECATS publications are eligible for distribution among past, current, and future participants of DECATS, participant schools and teachers, and DeBusk Foundation Board Members, as well as select persons and groups, for the sole purpose of promotion of the program. All photographs and videos are screened before being included in any DECATS publication.

This agreement begins the date signed and does not expire. Photographs and video taken are the permanent and exclusive property of DECATS at St. Rose of Lima Catholic School and will be used at the discretion of DECATS.
