

DECATS 2010

COMMITMENT TO ATTEND

Please carefully read the following agreement and sign the agreement below.

In order to gain the most benefit from the program, nominees may only apply if they are committed to attending the entire three-week program, from Monday, June 14, 2010, through Thursday, July 1, 2010.

Scholars are also required to attend the Orientation & Open House, held the Sunday before DECATS begins on June 13, from 2 - 5 p.m.

My Scholar and I commit to full attendance in the 2010 DeBusk Enrichment Center for Academically Talented Scholars at St. Rose of Lima Catholic School, beginning Sunday, June 13, 2010, and ending Thursday, July 1, 2010. Scholars may not plan to attend any other summer activities that would result in their absence from any portion of DECATS (including, but not limited to, sports programs, scouting trips and family vacations).

In the event that my Scholar cannot attend the entire program, I will notify the DECATS Program Director immediately so that a Scholar on the waiting list may attend in my Scholar's place.

Absences for illness that occur during DECATS may be excused by providing DECATS with an official physician's note. Routine medical appointments and non-emergency surgery or procedures may not be scheduled during DECATS hours and will not be excused.

Any planned absence must be approved in advance by the Program Director in writing. Unapproved absences not due to illness or emergency may result in my Scholar not being allowed to complete the current summer session and could result in the forfeiture of the opportunity to return to DECATS in future years.

I understand that by virtue of my application, DECATS at St. Rose of Lima is reserving a space for my Scholar's participation. By signing this agreement we commit to our Scholar attending the entire session. We agree that forfeiture of our commitment to attend and fully participate will not entitle us to any form of tuition refund.
